

# Calligraphy Workshop

Wednesday 24th April 2019 for 5 weeks (*term time*)

9.30am -1pm

**Fee: £96 (£72 Concession—see below \*)**

This practical, hands-on course is suitable for complete beginners to calligraphy, but will also be of interest to those who have done some calligraphy before (perhaps at Summer School or a one-day workshop.) Looking at some amazing manuscripts which were scribed hundreds of years ago, we will write a modern version of a historical script. We will add various decorative touches, ranging from knotwork to the use of colour and gold to embellish the calligraphy. Everyone will have the chance to create at least one finished piece of work as a showcase for your new skills.

## Learning outcome

- Discover how ancient manuscripts have inspired modern calligraphers.
- Use edged nibs to write a modern Uncial script (with variations of the script for those who already have a basic grasp).
- Explore the fundamentals of calligraphic layout and design.
- Use colour, gold and decorative techniques to decorate and embellish your work.
- Consider different ways to present your calligraphy and make at least one finished item such as a scroll, greetings card, gift box, or poem to frame.

## On completion of the course, your next steps might be:

- Join the Calligraphy & Lettering Arts Society to receive regular information & magazines
- Enrol on an ongoing calligraphy course with an option to work towards qualification

## What you need to bring to the first session

- Pencils, 12" or 18" ruler, eraser, masking tape if you have it, water pot or old jam jar. A folder or ring binder for handouts would also be useful.
- If you have done calligraphy before, bring the pens, ink and paper you already have. Beginners will be able to purchase what they need from the tutor.
- If you have a portable drawing board, please bring it along. Boards will be available to borrow throughout the course for those who do not have one.

## Extra Costs on the course

Calligraphic pens, cartridge paper, ink, gouache paint (will all be available to purchase from the tutor) - cost in region of £10-15 overall.
