

BOOKS IN A BOX

2 DAY COURSE: Monday 24th - Tuesday 25th July 2017

10am – 4pm

FEE: £110

including lunch and refreshments

TUTOR: Edel Hopkin

Make two beautiful, hard-bound notebooks using traditional techniques and papers, complimented perfectly with a matching, lined slipcase.

We will start the day by understanding the importance of paper grain to the success of book making and progress from there to preparing the materials for our projects. You will be guided, step-by-step, through making your first book and will then have an opportunity to put the learning into practice with the second book under tutor supervision.

The slipcase is an essential lesson for those who want to keep their books in good order and is a very important item to ensure the preservation of old books as well as new. You will learn to measure precisely and then make up your own luxuriously lined box.

Materials Required:

All materials, tools and equipment will be supplied at an additional cost of no more than £20 per person payable to the Tutor.
