

CREATE A TRAVEL JOURNAL

1 DAY COURSE: Wednesday 24th July 2019

10am – 4pm

FEE: £55

Includes lunch and refreshments

TUTOR: Helen Perry

During this one-day class you will learn a 'speedy' leather binding and can construct your own refillable journal with papers and pockets to suit you. This structure would also make a fabulous Cookery Journal with places to pop all those quickly-jotted recipes from friends or the treasured notes from family or a Gardening Journal ... the choice will be yours on the day.

Lots of appropriate cover papers will be available but if you have a special one in mind, please bring it along.

There will be a £20 materials cost for this class, payable to the tutor
