

1 DAY COURSE: Monday 25th July 2022

10am – 4pm

FEE: £56

including lunch and refreshments

TUTOR: LAURA GALBRAITH

The course aims to:

Enable learners to use their digital cameras with confidence and understand the various functions and modes available to expand their technical knowledge.

Help learners to explore their creativity through photography.

During the day you will :

- Know how to access the main functions and menus of your camera
- Know how to use aperture and shutter settings for greater creative control
- Achieve correct exposures
- Use compositional elements to make stronger, more creative photographs

What you need to bring to the workshop:

Digital Camera and manual (Any camera that allows you to set Aperture, Shutter speed and ISO) If you are unsure if your camera is suitable please email the tutor info@lauragalbraithphotography for advice.
