

GET HOOKED ON CROCHET

3 DAY COURSE: Wednesday 24th—Friday 26th July 2019

10am – 4pm

FEE: £165

including lunch and refreshments

TUTOR: Emma Wilkinson

Discover your passion for crochet with this three day introduction to the historic craft. You will begin the course with an overview of terminology, pattern reading and plenty of practice with the hook. Once you have completed your swatches you will create your very own hook case, perfect for carrying round your essential tools. On day two, you will complete your mini project and then return your focus to the swatches from the previous day by edging them with scallops, picots and blocks. Once you have mastered the art of edging we will turn our attention to embellishments, creating beautiful floral offerings as well as bows. You will begin making a traditional afghan blanket on day three, in a style of your choice, and armed with a wealth of new skills you can take the blanket home to complete at your leisure.

Materials Required:

- 4mm and 5mm crochet hooks
- Scissors
- Wool needle for finishing off
- Minimum of three 100g balls of different colour double knitting wool for use in all projects throughout the course. A high quality yarn is required to avoid splitting such as Stylecraft Special DK.

A small selection of wool will be available to buy on the day for £2 per ball and crochet hooks for £1.50 each.
