

# INTRODUCTION TO NEEDLE FELTING

**1 DAY COURSE: Wednesday 24th July 2019**

**10am – 4.00pm**

**FEE: £55**

**including lunch and refreshments**

**TUTOR: Lisa Fretwell**

During the one day workshop you will learn how to start making the basic shape of your animal. By the end of the day you will know how to:

- Learn how to shape the needle felt
- Select colours, fibres and materials to add to the felt.
- Make eye holes and attach beads for eyes
- Make legs from wire and attach them.

## Materials required

Please bring the items listed below for the one-day summer school.

- Two polystyrene balls, approx. 7cms and 10 cms diameter
- A felting block, sponge or a block of polystyrene
- Small fabric scissors
- 2 black beads and a beading needle and thread
- A thimble
- A scalpal

The tutor will provide the fleece, felting needles and wire at a cost of approx. £5.00
