

UPHOLSTERY WORKSHOP

5 DAY COURSE: Monday 22nd—Friday 26th July 2019

10am – 4pm

FEE: £275

including lunch and refreshments

Example of student's work

TUTOR: Cindy Mason

Why not bring that small chair, stool, or box to this five-day Upholstery course and give it a new lease of life? Upholstery is a craft which incorporates recycling and uses natural and synthetic materials as appropriate to your piece. You will be taught the correct techniques using traditional and modern materials supplied by the tutor at cost price.

You could leave this course with a completely transformed piece of furniture and have gained a love for this most rewarding craft enabling you to continue with Upholstery at home.

Please ensure you contact Cindy Mason **by the 30th June by phone or email before the course to discuss what items of furniture are appropriate for the week and to discuss your requirements**

(SOFAS AND ARMCHAIRS ARE NOT SUITABLE FOR THIS WEEK LONG COURSE)
