

WEAVING ON A FOUR SHAFT TABLE LOOM

5 DAY COURSE: Monday 25th to Friday 29th July 2022

10am – 4pm

FEE: £280

including lunch and refreshments

TUTOR: Anna Crutchley

Suitable for beginners, as well as those with previous weaving experience.

Beginners: On this course you will learn to weave on a four-shaft table loom. You will sample a variety of weave structures, with colour combinations, yarn qualities and surface textures, for a range of functions such as rugs, scarves, table runners, trimmings and so on. Looms will be threaded up ready for beginners, and you will also see how to set up a loom from scratch. By the end of the course you will have a comprehensive set of samples and notes, and masses of information to take away and help you continue with your new-found craft.

Weavers with previous experience: You are encouraged to discuss your ideas with the tutor in advance so that the course can be tailored to meet your own requirements. For example, this could take the form of sampling a new weave structure, developing a new design idea, etc. The course will provide a lively and positive tutorial environment in which new ideas can be explored and developed.

If you have your own loom, please contact Anna on 01223 563638 (DURING EARLY EVENINGS 6-7PM) to discuss and plan a warp in advance of the course.

INSPIRATION

This course is designed to provide beginners and new weavers with the technical experience they need to set up and weave on a loom, and explore weaving techniques. Looms are set up in advance ready to weave. However, if you have a particular idea of a colour scheme, texture or end product in mind, or you have your own yarns which you would like to use, then please contact the tutor in advance of the course and together we will be able to plan your warp so that you can work on your own particular project.

PLEASE BRING -

TOOLS

SHARP scissors

Notebook and pen

Camera (if you would like to document the processes this way)

MATERIALS

Materials and equipment will be available on the course, but you are welcome to bring other things you would like to include in the weaving, such as your own yarns, if you have them.

The tutor will supply yarns. The cost of materials will vary according to what you weave. As a guide, you should expect to spend around £10-£20.

*If you have an idea of something you want to work on, you are encouraged to talk to Anna in advance (a.crutchley@ntlworld or on 01223 563638 during early evenings 6-7pm) **by mid-June, please, so that she can design the warps and set up the looms in time.***
